

Our Lady of Love

I stand before You this Day
In awe of The Power of Love.

Ready to stay in Divine Love
By Giving and Receiving Human Love.

I strive for the Peace that comes
From Loving My Self and Others.

I dedicate my life to Truth.
I open myself up to Your Grace
That flows from Love.

I forgive my past
So I can Return to Love in Presence.

I reset the default to Love
This Day and Every Day.

I give thanks to remember
Love is Now and Ever Shall Be

The reason We Exist.
All Women. All Men.
